This spreadsheet and the accompanying instructions do not constitute, and should not be considered a substitute for, legal advice. The rules governing the proper tax characterization of distributions by mutual funds can be complex. Each fund should consult its own tax advisor regarding the proper tax characterization and reporting of the fund's distributions.

Note: no requirement to skip rows between entries or list in CUSIP order.

Expressed as an annual percentage with six (6) digits after the decimal point
