About Huntington

Huntington Bancshares Incorporated is a $53 billion regional bank holding company headquartered in Columbus, Ohio. Huntington National Bank, founded in 1866, provides full-service commercial, small business, and consumer banking services; mortgage banking services; treasury management and foreign exchange services; equipment leasing; wealth and investment management services; trust services; brokerage services; customized insurance brokerage and service programs; and other financial product and services. The principal markets for these services are Huntington's six-state banking franchise: Ohio, Michigan, Pennsylvania, Indiana, West Virginia, and Kentucky. The primary distribution channels include a banking network of over 600 traditional branches and convenience branches located in grocery stores and retirement centers, and through an array of alternative distribution channels including internet and mobile banking, telephone banking, and over 1,300 ATMs. Through automotive dealership relationships within its six-state banking franchise area and selected New England states, Huntington also provides commercial banking services to the automotive dealers and retail automobile financing for dealer customers.
