August 10, 2009

Microchip Technology to Present at the Morgan Keegan 2009 Summer in the City Technology Conference

CHANDLER, Ariz.--(BUSINESS WIRE)-- Microchip Technology Incorporated (NASDAQ:MCHP), a leading provider of microcontroller and analog semiconductors, announced today that the Company will present at the Morgan Keegan 2009 Summer in the City Technology Conference on Tuesday, August 11, 2009, at 1:00 p.m. (Eastern Time). Presenting for the Company will be Mr. Gordon Parnell, Vice President, Business Development and Investor Relations. A live webcast and replay of the presentation will be made available by Morgan Keegan, and can be accessed on the Microchip website at www.microchip.com. The replay of the webcast will be available for a period of 7 days following the presentation.

Any forward-looking statements made during the presentation are qualified in their entirety by the complete discussion of risks set forth in the Company's most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the Securities and Exchange Commission. Copies of Forms 10-K and 10-Q and any other relevant documents can be obtained for free at the SEC's Web site (www.sec.gov) or from commercial document retrieval services.

Microchip Technology Inc. is a leading provider of microcontroller and analog semiconductors, providing risk-free product development, lower total system cost and faster time to market for thousands of diverse customer applications worldwide.
