Helios Technologies Schedules Third Quarter 2021 Financial Results Release and Conference Call

SARASOTA, Fla.--(BUSINESS WIRE)-- Helios Technologies (Nasdaq: HLIO), a global leader in highly engineered motion control and electronic controls technology for diverse end markets, announced today that it will release its third quarter 2021 financial results before the market opens on Monday, November 8, 2021. Josef Matosevic, President and Chief Executive Officer, and Tricia Fulton, Chief Financial Officer, will host a conference call and webcast later that day to review the Company's financial and operating results, and discuss its corporate strategies and outlook.

Third Quarter 2021 Financial Results Conference Call:

Monday, November 8, 2021
9:00 a.m. Eastern Time
Phone: (201) 689-8573
Internet webcast and accompanying slide presentation: www.heliostechnologies.com.

A telephonic replay will be available from approximately 12:00 p.m. ET on the day of the call through Monday, November 15, 2021. To listen to the archived call, dial (412) 317-6671 and enter conference ID number 13723737. The webcast replay will be available in the investor relations section of the Company's website at www.heliostechnologies.com, where a transcript will also be posted once available.

About Helios Technologies
Helios Technologies is a global leader in highly engineered motion control and electronic controls technology for diverse end markets, including construction, material handling, agriculture, energy, recreational vehicles, marine, health and wellness. Helios sells its products to customers in over 90 countries around the world. Its strategy for growth is to be the leading provider in niche markets, with premier products and solutions through innovative product development and acquisition. The Company has paid a cash dividend to its shareholders every quarter since becoming a public company in 1997. For more information, please visit: www.heliostechnologies.com.
