Key Highlights:

Commenting on the quarter, Christina Emery, President, stated, "The Trust earned \$0.38 per share of net investment income, net of taxes, for the second quarter of 2024, compared to \$0.36 per share in the previous quarter. The increase in net investment income was predominantly due to \$0.03 per share of non-recurring income (repayment of past due income) received in the second quarter. During the quarter, Barings continued to drive origination flow into quality, 1st lien senior secured middle-market investments. When constructing portfolios, we focus on investing in high-quality businesses that are leaders in their space and offer defensive characteristics that will allow them to perform through economic cycles."

The Board of Trustees declared a quarterly dividend of \$0.37 per share, payable on September 13, 2024, to shareholders of record on August 26, 2024. This represents an

increase of \$0.01 per share or 2.8% over the previous dividend of \$0.36 per share and the eighth consecutive quarterly increase.
