Cemtrex to Present SmartDesk at Accounting & Finance Show NY July 11-12

After positive showings at PepCom East and LDMicro, Cemtrex to continue in-person demonstrations for interested parties at industry conferences and exhibitions

FARMINGDALE, N.Y.--(BUSINESS WIRE)-- Cemtrex Inc. (Nasdaq: CETX, CETXP, CETXW), a world leading technology and manufacturing company, today announced the showcase of their hotly anticipated flagship smart device, the SmartDesk, at this year's Accounting & Finance Show New York. The conference and exhibition takes place over two days, from July 11-12, 2018, at the Jacob K. Javits Center in New York City, and is free to attend. A fully-functional SmartDesk will be on-site, and representatives from Cemtrex will be on-hand to assist in demonstrations.

Cemtrex's SmartDesk is poised to be most advanced workstation on the market. A blend of futuristic hardware and groundbreaking productivity software, the SmartDesk delivers an efficient user experience in a luxurious package. With a 72-inch, high resolution multi-touch display (with integrated proprietary touch and touchless gestures as well as the ability to draw and scan documents directly on the desk), wireless connectivity for full access to the cloud and next generation wireless charging capabilities for mobile devices, the SmartDesk is the next step in the evolution of the modern workplace.

"We designed the SmartDesk to be an all-in-one workstation for workers in every conceivable industry," said Cemtrex's CEO and Chairman, Saagar Govil. "The accounting and financial management sector is a perfect example of an industry whose efficiency can be notably enhanced by providing accountants, bookkeepers and finance managers with unparalleled computing power, display space, and innovative technology. From in-person demonstrations we've conducted at previous conferences, we've already heard extremely positive feedback from workers in the accounting industry, and are looking forward to introducing this cutting-edge console to an even bigger audience."

The largest free accounting and finance conference and exhibition, the Accounting & Finance Show New York boasts more than 2000 attendees, 200 speakers, and 50 exhibitors showcasing the latest tech and solutions for an industry that's being revolutionized by the rise of digital technology.

Since the announcement of the SmartDesk in May, Cemtrex, the SmartDesk, and Govil have been featured in [Business Insider](#), [The Verge](#), [CNET](#), [TechSpot](#), [Bloomberg Radio](#), and more.
