Stratasys to Present at the Annual Needham & Company Growth Stock Conference

MINNEAPOLIS--(BUSINESS WIRE)-- Stratasys, Inc. (Nasdaq: SSYS) today announced that Scott Crump, CEO will present at the Annual Needham & Company Growth Stock Conference on January 7, 2009 at 3:00 p.m. ET. This event will be held at the New York Palace Hotel in New York City.

A live webcast of the presentation will be available by accessing the Investor Relations section of the Stratasys website.

Stratasys, Inc., Minneapolis, manufactures office-based rapid prototyping and direct digital manufacturing systems and 3D printers and offers rapid prototyping and manufacturing parts services. According to Wohlers Report 2008, Stratasys supplied 44 percent of all systems installed worldwide in 2007, making it the unit market leader, for the sixth consecutive year. Stratasys developed the rapid prototyping process known as fused deposition modeling (FDM). The process creates functional prototypes and end-use parts directly from any 3D CAD program using ABS plastic, polycarbonate, PPSF, and blends. The company holds over 180 granted or pending rapid prototyping patents globally. Stratasys products are used in the aerospace, defense, automotive, medical, education, electronic, architecture and consumer product industries. For more information on the company, go to www.Stratasys.com; www.DimensionPrinting.com; www.RedEyeRPM.com; www.RedEyeARC.com.

This release is also available on the Stratasys Web site at www.Stratasys.com.
