Stratasys Conference Call to Discuss First Quarter Financial Results

MINNEAPOLIS--(BUSINESS WIRE)-- Stratasys, Inc. (NASDAQ: SSYS), announced today that it will release financial results for the quarter ended March 31, 2010 and hold a conference call with investors on Wednesday, April 28, 2010. The Company plans to hold the conference call to discuss its first quarter financial results on Wednesday, April 28, 2010 at 8:30 a.m. (ET).

The investor conference call will be available via live webcast on the Stratasys Web site at www.stratasys.com under the "Investors" tab; or directly at the following web address: <http://phx.corporate-ir.net/phoenix.zhtml?p=irol-eventDetails&c=61402&eventID=2974532>.

To participate by telephone, the domestic dial-in number is 866-277-1181 and the international dial-in is 617-597-5358. The access code is 82043526. Investors are advised to dial into the call at least ten minutes prior to the call to register.

The webcast will be available for 90 days on the "Investors" page of the Stratasys Web site or at the provided web address.

Stratasys, Inc., Minneapolis, manufactures additive fabrication machines for prototyping and manufacturing plastic parts. The company also operates a service for part prototyping and production. According to Wohlers Report 2009, Stratasys supplied 43 percent of all additive fabrication systems installed worldwide in 2008, making it the unit market leader for the seventh consecutive year. Stratasys patented and owns the process known as FDM.(R) The process creates functional prototypes and end-use parts directly from any 3D CAD program, using high-performance industrial thermoplastics. The company holds more than 250 granted or pending additive fabrication patents globally. Stratasys products are used in the aerospace, defense, automotive, medical, business and industrial equipment, education, architecture, and consumer-product industries. Online at: www.Stratasys.com.

This release is also available on the Stratasys Web site at www.Stratasys.com.
