Standard Lithium Receives Nasdaq International Designation

VANCOUVER, British Columbia, Nov. 08, 2018 (GLOBE NEWSWIRE) -- **Standard Lithium Ltd.** ("Standard Lithium" or the "Company") (TSXV: SLL) (OTC-Nasdaq Intl. Designation: STLHF) (FRA: S5L), is pleased to announce that Standard Lithium has been admitted into the Nasdaq International Designation program under the symbol OTC – Nasdaq International Designation: STLHF. This is an over-the-counter (OTC) platform designed for non-U.S. companies. The program provides member companies with Nasdaq's visibility offering, allowing for greater access to U.S.-based investors.

"Our project development focus is on U.S. based assets and with the Nasdaq Intl. Designation we hope to expand the Company's visibility across U.S. capital markets and increase shareholder confidence and liquidity," said Standard Lithium CEO, Robert Mintak.

Member companies of the Nasdaq International Designation are not listed or traded on The Nasdaq Stock Market, LLC. and are not subject to the same listing or qualification standards applicable to securities listed or traded on an exchange. The Company's Nasdaq International Designation profile page can be found on <http://business.nasdaq.com/list/International-Designation/cronos-group.html>

About Standard Lithium Ltd.

The company's flagship project is in southern Arkansas, where it is engaged in the testing and proving of commercial viability of lithium extraction from over 150,000 acres of permitted brine operations and also the resource development of over 30,000 acres of separate brine leases, both located in the Smackover formation. It is also engaged in the exploration and resource development of approximately 45,000 acres at the Bristol and Cadiz Dry Lake lithium projects located in the Mojave Desert in San Bernardino County, California.

Standard Lithium is listed on the TSX Venture under the trading symbol "SLL"; quoted on the OTCQX under the symbol "STLHF"; and on the Frankfurt Stock Exchange under the symbol "S5L". Please visit the Company's website at www.standardlithium.com.

On behalf of the Board,

Standard Lithium Ltd.
Robert Mintak, CEO & Director

This news release may contain certain "Forward-Looking Statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities laws. When used in this news release, the words "anticipate", "believe", "estimate", "expect", "target", "plan", "forecast", "may", "schedule" and other similar words or expressions

identify forward-looking statements or information. These forward-looking statements or information may relate to future prices of commodities, accuracy of mineral or resource exploration activity, reserves or resources, regulatory or government requirements or approvals, the reliability of third party information, continued access to mineral properties or infrastructure, fluctuations in the market for lithium and its derivatives, changes in exploration costs and government regulation in Canada and the United States, and other factors or information. Such statements represent the Company's current views with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Many factors, both known and unknown, could cause results, performance or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements and information other than as required by applicable laws, rules and regulations.
