Hilton First to Stream Live Concert on Periscope, Featuring Fan-Favorite Nick Jonas

Fans invited to virtually attend tonight's Hilton@PLAY concert via @HiltonHHonors on Twitter and Periscope

MCLEAN, Va.--(BUSINESS WIRE)-- It's time to play! Tonight, fans are invited to have a virtual front row seat as Hilton streams Nick Jonas' performance, part of the Hilton@PLAY concert series, exclusively on [Periscope](#), Twitter's live streaming video service. Fans can tune-in at 8:15 p.m. CDT (9:15 p.m. EDT) by following @HiltonHHonors on [Twitter](#) and downloading the Periscope app. This marks the first time an entire live concert will be broadcasted via Twitter and Periscope.

This special live performance is taking place at [Hilton Anatole](#) in Dallas, Texas, the second concert in the Hilton@PLAY concert series. Hilton is committed to inspire people to get out, see the world and have more fun.

Since the launch of Hilton@PLAY earlier this year, Hilton has worked to curate unique experiences that connect travelers, artists and cities in new, unexpected ways – from private concerts and meet-and-greets in their hotels to unexpected artist connections, such as food and wine tastings hosted by the artist showcasing their artisanal products.

To attend the concerts or take part in other rock star-worthy experiences, Hilton HHonors members are invited to visit [HHonors.com/auctions](#) and redeem Hilton HHonors points for the offerings.

Nick Jonas is a multi-talented artist stepping out on his own after achieving worldwide fame with The Jonas Brothers. Nick Jonas' self-titled solo debut was released last November via Island Records and features the double-platinum smash single and #1 U.S. radio hit, "Jealous," which peaked at #7 on Billboard Hot 100 and his second chart-climbing single, "Chains."
