# **MJ Freeway Sponsors National Cannabis Industry Association's Third Anniversary Banquet**

**The industry trade organization celebrates its third year of operation with a reception and banquet at Seattle's National Marijuana Business Conference this Thursday**

SEATTLE, Nov. 6, 2013 /PRNewswire/ -- MJ Freeway is proud to sponsor the National Cannabis Industry Association's third anniversary banquet for NCIA members, which takes place tomorrow in Seattle.

The banquet and reception, which is being held at the National Marijuana Business Conference in Seattle, is a gathering for NCIA members and stakeholders within the legal cannabis industry seeking to celebrate the last three years since the trade organization set out on its mission of national cannabis advocacy and to recognize the strides taken and advancements made in promoting legal recognition of medical and adult use marijuana over that time.

This banquet is scheduled to take place from 5:30-9:30 PM at the National Marijuana Business Conference. While the banquet and conference are themselves sold out, parties interested in learning more about this and future NCIA events are encouraged to read more at <http://thecannabisindustry.org/events>.

## **About the National Cannabis Industry Association**

The National Cannabis Industry Association's membership is comprised of the leading businesses and organizations in America's emerging cannabis industry. As the only national trade association for cannabis professionals, NCIA works to defend and advance the industry on the national stage. The mission of the National Cannabis Industry Association is to promote the growth of a responsible and legitimate cannabis industry and to work for a favorable social, economic and legal environment for that industry in the United States.
