Akerna Flash Report: Data Shows Top Five Cannabis Sales Days of 2021

The top five sales days, which included 420 and Black Friday, brought in a total of \$493 million adult-use and medical cannabis sales. Akerna will release its annual Cannabis Industry Year-End Review report with additional data, research, and industry information later this month.

DENVER, Jan. 6, 2022 /PRNewswire/ -- Business intelligence from Akerna (Nasdaq: KERN), a leading enterprise software company and the developer of the most comprehensive technology infrastructure, ecosystem, and compliance engine powering the global cannabis industry, has revealed the top five cannabis sales days of 2021 in the United States:

2021 US Top Cannabis Sales Days:

1. 420 / April 20th: \$111.8 million
2. Black Friday / November 26th: \$99 million
3. Green Wednesday / November 24th: \$98.2 million
4. Thursday before Christmas / December 23rd: \$94 million
5. Friday before Labor Day / September 3rd: \$90.1 million

420, the unofficial cannabis consumption holiday, was the [largest cannabis sales day ever](#). Together, these top sales days brought in over \$493 million in cannabis sales. Akerna will release its annual Cannabis Industry Year-End Review report with additional data, research, and industry information later this month. You can sign up to receive it [here](#).

"When comparing the top sales day of 2021 to the top sales day of 2020, 2021 saw a 25% increase in sales," said James Ahrendt, Business Intelligence Architect at Akerna. "Last year's top sales day – December 31st, 2020 - wouldn't have even made it on the top five chart in 2021."

"We've diligently been tracking legal cannabis sales for over a decade and have seen constant growth each year, even amid the ongoing pandemic," said Jessica Billingsley, Akerna CEO. "Whether people are turning towards cannabis to celebrate holidays, for its countless medical benefits, or as an alternative to other substances, it's clear that Americans are increasingly purchasing cannabis each year."

About MJ Freeway

MJ Freeway is more than software as a service. Its flagship solution, MJ Platform, includes Platform Insights. Now operators, investors, and regulators can access the industry's largest and most statistically relevant database to drive data-driven business decisions.

Platform Insights provides:

- The greatest statistical relevance across countries
- Normalized data (not farmed from various disparate POS platforms)
- Full cannabis supply chain data
- Business insights founded in category management methodology

Platform Insights can eliminate the guesswork and provide answers to questions like:

- What is the gross margin return on inventory?
- What SKUs should be carried?
- How do basket adjacencies influence discounting and retention strategies?
- What does a medical market look like a year or five years after decriminalizing cannabis?
