COPT Reports 4Q and Full Year 2017 Results

COLUMBIA, Md.--(BUSINESS WIRE)-- Corporate Office Properties Trust ("COPT" or the "Company") (NYSE: OFC) announced financial and operating results for the fourth quarter and full year ended December 31, 2017.

Management Comments

"Our strong fourth quarter topped off an excellent year of leasing achievement that included nearly one million square feet in the development portfolio and leasing over 400,000 square feet of vacant space in operating properties. As a result, our total portfolio occupancy increased 150 basis points during the year, to 93.6% at December 31, 2017," stated Stephen E. Budorick, COPT's President & Chief Executive Officer. "We exceeded our disposition goal and recycled capital through the sale of two assets located in non-core markets. Our portfolio is now essentially 100% strategic, so growth from our consistent pipeline of low-risk, accretive developments will no longer be offset by dilutive sales. Our new leasing pipeline remains strong with over one million square feet of new leasing prospects. We are confident that the continued bipartisan support in Congress to increase defense spending at a healthy pace will create an expanding set of growth opportunities on which we will capitalize."
