

COMPANY OVERVIEW

DRONE Aviation Corp (DRNE) was formed in April 2014 to penetrate the rapidly growing Unmanned Aerial Systems (UAS) business in U.S. and abroad for government and commercial customers.

DRNE's mission is to aggressively penetrate the expanding Drone market with our unique Tethered Drones, which are currently being fielded to the U.S. Department of Defense and State and Local municipalities.

DRNE owns and operates Florida-based Lighter Than Air Systems Corp (LTAS), a developer and supplier of unique and specialized aerial solutions to the U.S. Government, State municipalities, and commercial entities.
