(“Coincheck”), a leading Japanese crypto exchange company, today reported financial results for the fourth quarter and year ended March 31, 2025 (“fiscal 2025”).

Financial Highlights:¹

Certain Year-Over-Year Highlights

- Total revenue increased 13% to ¥114.6 billion (\$764 million) in the fourth quarter of fiscal 2025 from ¥101.4 billion (\$676 million) in the fourth quarter of fiscal 2024, and increased 71%, to ¥383.3 billion (\$2,557 million) in the fiscal 2025 full year from ¥224.0 billion (\$1,495 million) in the fiscal 2024 full year.

Non-IFRS financial measures

EBITDA and Adjusted EBITDA

In addition to the Company's results determined in accordance with IFRS, the Company presents EBITDA and Adjusted EBITDA, non-IFRS measures, because the Company believes they are useful in evaluating its operating performance.

EBITDA represents net profit (loss) for the period before the impact of taxes, interest, depreciation, and amortization of intangible assets, and Adjusted EBITDA represents EBITDA, further adjusted for transaction expenses that are directly attributable to the business combination with Thunder Bridge IV. (denoted as "Reverse recapitalization"), as well as Nasdaq listing expenses.

The Company uses EBITDA and Adjusted EBITDA to evaluate its ongoing operations and for internal planning and forecasting purposes and believes that EBITDA and Adjusted EBITDA may be helpful to investors because they provide consistency and comparability with past financial performance. However, EBITDA and Adjusted EBITDA are presented for supplemental informational purposes only, have limitations as an analytical tool, and should not be considered in isolation or as a substitute for financial information presented in accordance with IFRS.

A reconciliation is provided below for each non-IFRS financial measure to the most directly comparable financial measure stated in accordance with IFRS. Investors are encouraged to review the related IFRS financial measures and the reconciliation of these non-IFRS financial measures to their most directly comparable IFRS financial measures, and not to rely on any single financial measure to evaluate Coincheck Group's business.

Please see tables on the following pages for reconciliations of non-IFRS financial measures.
