Jenny Slate, Max Silvestri, and Gabe Liedman are comedians who've been friends for over two decades. And despite life taking them in all different directions, they are committed to staying in touch and leaning on each other for the type of advice you'd only get from a true friend. “I Need You Guys” is their group chat made public – where they catch up, spill their guts, and welcome new and old friends to the chat every episode.

Special guests will include **John Mulaney**, **Nick Kroll**, **Michelle Buteau**, **Kate Berlant**, **Kumail Nanjiani**, **Sean Hayes**, **Jason Mantzoukas**, **Ron Funches**, and more.

In a joint statement, Jenny, Max, and Gabe said: “Starting a podcast where you talk about stuff that happened with people you’ve known a long time is one of the most vulnerable things a human can do, and we’re proud to be the first three people to ever do it. Thank you to SmartLess Media and SiriusXM for handling all the aspects of making the podcast that, if left to us, would end our friendship.”

New episodes of “I Need You Guys” will be available every Tuesday on the SiriusXM App or wherever podcasts are available.

“I Need You Guys” is produced by SmartLess Media. Jenny Slate, Max Silvestri, Gabe Liedman serve as Executive Producers, alongside Producers Anne Harris, Devon Torrey Bryant, and Josh Richmond. Executive Producers for SmartLess Media include Will Arnett, Jason Bateman, Sean Hayes, Richard Korson and Bernie Kaminski.

“I Need You Guys” will be distributed on the SiriusXM Podcast Network, and SiriusXM Media, the company’s advertising division, will have exclusive ad sales rights to the podcast. With a diverse portfolio that spans comedy, true crime, wellness, business, and entertainment programming, the SiriusXM Podcast Network represents more of the top 20 podcasts than any other network according to Edison Research, reaching 1 in 2 podcast listeners in the US each month.
