Dynatrace Positioned Highest in Execution in the 2025 Gartner® Magic Quadrant™ for Observability Platforms

Report marks the 15th consecutive year Gartner has named Dynatrace a Leader in Observability Platforms

BOSTON--(BUSINESS WIRE)-- [Dynatrace](#) (NYSE: DT), the leading AI-powered observability platform, today announced that Gartner has named it a Leader in the 2025 Magic Quadrant for Observability Platforms. Gartner evaluated 20 vendors and positioned Dynatrace highest for Ability to Execute.

"We are proud to once again be recognized with the highest position for Execution in the Gartner Magic Quadrant for Observability Platforms," said Steve Tack, EVP, Chief Product Officer at Dynatrace. "In our opinion, this recognition reflects our unwavering commitment to continuous innovation for our customers. As companies navigate increasingly complex cloud-native digital environments, AI-powered end-to-end observability is critical for success. We believe this acknowledgment validates our mission to empower customers with precise, real-time insights and intelligent automation from data, enabling them to tackle their most complex business challenges with confidence."
