SinglePoint Begins Trading on the OTCQB Venture Market

SEATTLE, Feb. 06, 2018 (GLOBE NEWSWIRE) -- via OTC PR WIRE -- SinglePoint Inc. (OTCQB:SING) (the "Company"), is pleased to announce it has been approved and is now trading on the OTCQB Venture Market, which requires a higher level of transparency and helps provide increased investor confidence through continued verification of information. Uplisting from the OTC Pink Open Market tier supports with the Company's goals of increasing acquisition deal flow and having access to institutional investors both directly and through the open market.

"We are extremely pleased to be approved for OTCQB. It is a great step for SinglePoint as we continue to grow and build our footprint. Increased transparency and credibility will help broaden our shareholder base and provide additional exposure to the institutional investor community, ultimately contributing to increasing shareholder value," states Greg Lambrecht CEO SinglePoint.

SinglePoint will continue to provide audited financials and plans to be fully reporting by filing a Form-10 or S-1 in the near future. The next step towards fully reporting will represent another initiative to further transparency, add credibility and increase exposure to investment banking firms.

About SinglePoint, Inc.

SinglePoint, Inc. (SING) has grown from a full-service mobile technology provider to a publicly traded holding company. Through diversification into horizontal markets, SinglePoint is building its portfolio by acquiring an interest in undervalued subsidiaries, thereby providing a rich, diversified holding base. Through its subsidiary company [SingleSeed](#), the company is providing products and services to the cannabis industry.
