The Company continues to work with the State of Wyoming and Sweetwater County to advance a US\$34.0 million bond loan (the "Bond Loan") through the State's Industrial Development Bond program towards completion. It is expected that the Loan Facility will be repaid upon the closing of the Bond Loan, after which time the Loan Facility will remain available to fund the acquisition and advancement of the Pathfinder Mines assets in Wyoming. The Company continues to anticipate receiving all required regulatory approvals for the closing of the previously announced Pathfinder Mines Corporation acquisition in the near future.

Ur-Energy President and CEO Wayne Heili commented, "We are very pleased to announce the closing of this Loan Facility, which provides a great deal of flexibility to the Company as we complete the construction of the Lost Creek Project and await final approvals of the Bond Loan and Pathfinder acquisition."
