Hercules Provides \$22 Million to Tectura, a Later Stage Leading Global Provider of Microsoft Integrated Business Solutions

PALO ALTO, Calif.--(BUSINESS WIRE)--

Hercules Technology Growth Capital, Inc. (NASDAQ:HTGC), a leading specialty finance company providing growth capital to venture capital and private equity backed technology and life science companies, continues to add late stage companies to its growing portfolio. The Company today announced that on April 9, 2007, it provided \$22 million of debt financing to Tectura, the 2006 Microsoft Business Solutions Global Partner of the Year.

Tectura is a global provider of Microsoft Integrated Business Solutions to mid-market companies and large enterprise divisions, specializing in Enterprise Resource Planning (ERP) and Customer Relationship Management (CRM) solutions built on Microsoft Dynamics(TM) business management software (including Microsoft Dynamics(TM) AX, Microsoft Dynamics(TM) GP, Microsoft Dynamics(TM) NAV, Microsoft Dynamics (TM)SL, and Microsoft Dynamics(TM) CRM) and integrated with other leading-edge Microsoft products and technologies.

"Tectura is a global company focused on substantial growth with current revenue over \$225 million," commented Kevin Grossman, managing director of the late-stage group at Hercules. "The company has expanded its global footprint by acquiring its competitors throughout Europe, Asia and the Middle East as part of its overall strategy of serving the needs of businesses globally."

"We have successfully implemented business solutions for more than 5,000 organizations across 60 countries worldwide," said Duane Bell, CFO of Tectura. "The Hercules financing will allow us to grow and consolidate our corporate structure, enabling us to more effectively help our global clients- both existing and potential- to achieve process improvements, greater efficiencies, and a clear competitive advantage."

Tectura is backed by a number of leading industry investors, including its primary investor, Pequot Ventures.

About Hercules Technology Growth Capital, Inc.:

Founded in December 2003, Hercules Technology Growth Capital, Inc. is a NASDAQ traded specialty finance company providing debt and equity growth capital to technology and life science companies at all stages of development. The Company primarily finances privately-held companies backed by leading venture capital and private equity firms and also may finance certain publicly-traded companies. Hercules' strategy is to evaluate and invest in a broad range of ventures active in technology and life science industries and to offer a full

suite of growth capital products up and down the capital structure to prospective clients ranging from early-stage growth to expansion stage companies. The Company's investments are originated through its principal office located in Silicon Valley, as well as additional offices in the Boston, Boulder and Chicago areas. Providing capital to publicly-traded or privately-held companies backed by leading venture capital and private equity firms involves a high degree of credit risk and may result in potential losses of capital.
