Cheniere Energy to Attend J.P. Morgan Inaugural Energy Equity Investor Conference

HOUSTON, June 23, 2016 /PRNewswire/ -- Cheniere Energy, Inc. ("Cheniere") (NYSE MKT: LNG) announced today that Jack Fusco, President and Chief Executive Officer, and Michael Wortley, Senior Vice President and Chief Financial Officer, will participate in the J.P. Morgan Inaugural Energy Equity Investor Conference in New York City on June 27-28, 2016.

The meeting materials will be available on the Investor Relations section of the Cheniere website at www.cheniere.com prior to the opening of the market on Monday, June 27, 2016.

About Cheniere

Cheniere Energy, Inc., a Houston-based energy company primarily engaged in LNG-related businesses, owns and operates the Sabine Pass LNG terminal in Louisiana. Directly and through its subsidiary, Cheniere Energy Partners, L.P., Cheniere is constructing and developing liquefaction projects near Corpus Christi, Texas and at the Sabine Pass LNG terminal, respectively. Train 1 of the liquefaction project at the Sabine Pass LNG terminal has commenced commercial operations. Cheniere is also exploring a limited number of opportunities directly related to its existing LNG business.
