CLEAR Launches New Lanes at Raleigh-Durham International Airport

Expedited Identity Verification Service Now Available at 50 Airports

MORRISVILLE, N.C., Jan. 25, 2023 /PRNewswire/ -- CLEAR (NYSE: YOU) today announced launching its identity verification technology at Raleigh-Durham International Airport (RDU), bringing frictionless and predictable travel experiences to its 50th airport.

"RDU is proud to partner with CLEAR to provide travelers another option to expedite the security screening process," said **Michael Landguth, president and CEO of the Raleigh-Durham Airport Authority**. "RDU's commitment to leveraging technology to provide our guests with a world class experience makes CLEAR an excellent fit."

Today's launch represents continued growth in CLEAR's national footprint, where it serves a total of 50 airports and more than 14 million members. CLEAR already serves 9 of RDU's top 10 domestic destinations, allowing members traveling through RDU to use CLEAR on both ends of their journey. Members use CLEAR's network of dedicated lanes to verify their identity with their eyes or fingers, replacing the need to take out their wallet and driver's license. After verification, a CLEAR Ambassador escorts members through the dedicated lane and directly to TSA physical security, saving them time waiting in line at the security checkpoint. CLEAR's launch at RDU is expected to create 44 jobs and generate approximately $2.6 million in local economic activity every year.

"As an identity company obsessed with creating friction-free experiences, CLEAR is excited to launch at our 50th airport and help passengers traveling through RDU safely and easily affirm their identity at the security checkpoint," said **CLEAR CEO Caryn Seidman-Becker.** "Our launch today is the start of a strong partnership with the airport to deliver an outstanding passenger experience."

CLEAR Plus – an opt-in membership that provides access to CLEAR's expedited identity verification lanes – costs about $16 a month billed annually, with discounts available for Delta Air Lines, United Airlines and American Express members. Newly enrolling active military, veterans, and government officials are also eligible for discounted memberships, and additional family members can be added to an existing CLEAR Plus account for just $60 per adult per year.
