The dedicated JFK Reserve security entry point is open between 5 a.m. and 10 a.m. – the security checkpoint's busiest time.

CLEAR first launched its free checkpoint reservation system at Orlando International Airport (MCO) in October 2021. In December, CLEAR acquired Whyline Inc., a leading provider of virtual queuing and appointment technology; today's launch marks the seventh airport to offer CLEAR's free Reserve program. Other airports offering Reserve include Newark Liberty International Airport (EWR), Los Angeles International Airport (LAX), Seattle-Tacoma International Airport (SEA), Phoenix Sky Harbor International Airport (PHX), and Calgary International Airport (YYC).

In addition to Reserve, CLEAR Plus expedited security lanes are available in Terminals 2 and 4 at JFK, as well as at EWR, LaGuardia Airport (LGA) and Westchester County Airport (HPN). Subscribing CLEAR Plus members can use the company's network of 120+ dedicated lanes across 43 airports to verify their identity with their eyes, replacing the need to take out their wallet and driver's license. After verification, a CLEAR Ambassador escorts members through the dedicated lane and directly to TSA physical security.
