Main Street Receives Stockholder Approval to Reduce Asset Coverage Ratio to 150%

HOUSTON, May 3, 2022 /PRNewswire/ -- Main Street Capital Corporation (NYSE: MAIN) ("Main Street") is pleased to announce that at its 2022 annual meeting of stockholders, it received approval from its stockholders to reduce its minimum asset coverage ratio to 150% from 200%. The change to Main Street's minimum asset coverage ratio is effective as of today. The reduction to Main Street's minimum asset coverage ratio is being made pursuant to Section 61(a)(2) of the Investment Company Act of 1940.

ABOUT MAIN STREET CAPITAL CORPORATION

Main Street (www.mainstreetcapital.com) is a principal investment firm that primarily provides long-term debt and equity capital to lower middle market companies and debt capital to middle market companies. Main Street's portfolio investments are typically made to support management buyouts, recapitalizations, growth financings, refinancings and acquisitions of companies that operate in diverse industry sectors. Main Street seeks to partner with entrepreneurs, business owners and management teams and generally provides "one stop" financing alternatives within its lower middle market investment strategy. Main Street's lower middle market companies generally have annual revenues between \$10 million and \$150 million. Main Street's middle market debt investments are made in businesses that are generally larger in size than its lower middle market portfolio companies.

Main Street, through its wholly owned portfolio company MSC Adviser I, LLC ("MSC Adviser"), also maintains an asset management business through which it manages investments for external parties. MSC Adviser is registered as an investment adviser under the Investment Advisers Act of 1940.
