## **EzFill to Attend South Florida Build Expo in Miami on January 5–6**

*--Florida-Based Mobile Fueling Company to Exhibit at Leading Construction Show--*

MIAMI, FL, Jan. 04, 2022 (GLOBE NEWSWIRE) -- EzFill Holdings, Inc. ("EzFill" or the "Company") (NASDAQ: EZFL), a pioneer and emerging leader in the on-demand mobile fuel industry, announced today its executive team will attend the South Florida Build Expo at the Miami Beach Convention Center on January 5-6.

South Florida Build Expo is expected to welcome close to 2,000 commercial construction professionals during the two-day event. As the largest producer of regional building and construction shows, Build Expo provides companies the opportunity to meet with people from across the entire industry.

"We are thrilled to be attending the South Florida Build Expo this year," said Mike McConnell, CEO of EzFill. "Covid has put a strain on many building and construction businesses, and this event is a great opportunity to reconnect and share our services with industry leaders in the market. We help construction companies by fueling their fleets, heavy machinery and generators, as well as provide on-demand fuel to their employees so they don't have to take time out of their already busy day to get gas."

EzFill is the largest on-demand mobile fuel delivery provider in Florida, and the only company to offer on-demand fuel delivery service to customers in three vertical segments: consumer, commercial, and specialty including marine, construction, and agriculture.

The EzFill team will exhibit at Booth 520 throughout the South Florida Build Expo. To speak with a Company executive before or during the show, please contact [EzFill@kcsa.com](mailto:EzFill@kcsa.com).

### **About EzFill**

EzFill is a leader in the fast-growing mobile fuel industry, with the largest market share in its home state of Florida. Its mission is to disrupt the gas station fueling model by providing consumers and businesses with the convenience, safety, and touch-free benefits of on-demand fueling services brought directly to their locations. For commercial and specialty customers, at-site delivery during downtimes enables operators to begin their daily operations with fully fueled vehicles.
