Synalloy Announces Conference Call

SPARTANBURG, S.C., Nov. 19, 2014 (GLOBE NEWSWIRE) -- Synalloy Corporation (Nasdaq:SYNL), a growth oriented company that engages in a number of diverse business activities including the production of stainless steel pipe, fiberglass and steel storage tanks, and specialty chemicals, plans to conduct a conference call and webcast at 10:00AM ET on Monday, November 24, 2014 to discuss several strategic initiatives and provide its 2015 forecast. Interested parties may listen to this discussion by calling 1-(877) 303-6648; Conference ID code 38815884. The conference call will be webcast live through Synalloy's website at www.synalloy.com under the Investor Relations tab.

The webcast archive of the conference call will be available by 12:00PM ET on November 24, 2014 on Synalloy's website at www.synalloy.com under the Investor Relations tab.

Forward-Looking Statements

Statements included herein that are not historical in nature, are intended to be, and are hereby identified as "forward-looking statements" within the meaning of federal securities laws. These forward-looking statements are based on current expectations, estimates and projections about our industry, our business, our customer relationships, management's beliefs and assumptions made by management. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions that are difficult to predict and, in many cases, are beyond the control or knowledge of management. Therefore, actual results may differ materially from those expressed or forecasted in such forward-looking statements. We undertake no obligation to publicly update or revise forward-looking statements, whether as a result of new information, future events or otherwise. Additional information concerning some of the factors that could cause materially different results is included in our reports on Forms 10-K, 10-Q and 8-K filed with the Securities and Exchange Commission. Such reports are available from the Securities and Exchange Commission's public reference facilities and its website, <http://www.sec.gov>.
