Synalloy Urges Shareholders to Revoke Votes on Privet's and UPG's WHITE Card by Voting Synalloy's BLUE Card

RICHMOND, Va.--(BUSINESS WIRE)-- Synalloy (Nasdaq: SYNL) ("Synalloy" or the "Company"), today issued a letter to shareholders to notify them that the location and format of the upcoming 2020 Annual Meeting of Shareholders (the "Annual Meeting") has changed.

Dear Fellow Shareholders:

Due to the public health impact of the COVID-19 pandemic and to support the health and well-being of our employees, shareholders, and the community, and in accordance with state guidance and related orders, Synalloy hereby gives notice of its decision to change the location and format of the Annual Meeting to a virtual-only meeting. We expect to resume in-person or hybrid annual meetings beginning with our 2021 Annual Meeting of Shareholders, assuming normal circumstances.

The Company will hold the Annual Meeting in this virtual-only format as scheduled on Tuesday, June 30, 2020 at 9:00 a.m., Eastern Time. The items of business are the same as those set forth in the Notice of Annual Meeting of Shareholders dated April 14, 2020.

Shareholders as of the close of business on May 19, 2020 (the "Record Date") or their legal proxy holders may participate in and vote at the Annual Meeting.

You must register in advance to attend the Annual Meeting. Requests for registration to attend the Annual Meeting must be received no later than 9:00 a.m., Eastern Time, on June 29, 2020. Shareholders may make such request to register by following the instructions below.

Whether or not you plan to attend the Annual Meeting, you are encouraged to vote in advance of the Annual Meeting and return your votes by Internet, by telephone or by mail, and we encourage you to vote as early as possible to avoid any processing delays. If you have already voted, you do not need to vote by ballot at the Annual Meeting unless you intend to change your vote.

As described in the proxy materials for the Annual Meeting previously distributed, you are entitled to participate in the Annual Meeting if you were a shareholder of record as of the close of business on the Record Date.

The below registration process provides the means of remote communication through which you may attend and vote at the Annual Meeting.

Registering to Attend the Virtual Meeting as a Shareholder of Record

If you were a shareholder of record as of the Record Date and your shares were registered directly in your name with the Company's transfer agent, then you may register to attend the Annual Meeting by emailing Proof of Ownership (as defined below) to SYNLRegister@Proxy-Agent.com. Proof of Ownership may include a copy of your proxy card received either from the Company or from Privet Fund Management LLC ("Privet") and UPG Enterprises LLC ("UPG") or a statement showing your ownership as of the Record Date ("Proof of Ownership"). After registering, you will receive a confirmation email prior to the Annual Meeting with a link and instructions for entering the virtual Annual Meeting. You must register to attend the Annual Meeting no later than 9:00 a.m., Eastern Time, on June 29, 2020.

Registering to Attend the Virtual Meeting as a Beneficial Owner

If you were not a record holder, but were a beneficial owner and your shares were held by a broker, bank, financial institution or other nominee or intermediary in "street name" as of the Record Date, then you may register to attend the Annual Meeting by emailing SYNLRegister@Proxy-Agent.com and attaching evidence that you beneficially owned Synalloy shares as of the Record Date, which may consist of a copy of the voting instruction form provided by your broker, bank, financial institution or other nominee or intermediary, an account statement, or a letter or legal proxy from such custodian. After registering and upon verification of your ownership, you will receive a confirmation email prior to the Annual Meeting with a link and instructions for entering the virtual Annual Meeting. You must register to attend the Annual Meeting no later than 9:00 a.m. Eastern Time, on June 29, 2020.

Voting at the Virtual Meeting as a Shareholder of Record

If you were a record holder as of the Record Date and you have registered to attend the virtual Annual Meeting, then you may click on the Shareholder Ballot link on the virtual Annual Meeting site, complete the electronic ballot, and click 'Sign and Submit' to have it sent directly to the Inspector of Election before the polls are closed at the virtual Annual Meeting.

Shareholders of record are reminded that they can vote their shares prior to the virtual Annual Meeting over the Internet, by phone, by marking the BLUE proxy card, signing and dating it, and returning it in the postage-paid envelope previously provided or in another envelope to the address listed on the proxy.

Voting at the Virtual Meeting as a Beneficial Owner

If you were not a record holder, but were a beneficial owner and your shares were held by a broker, bank, financial institution or other nominee or intermediary in "street name" as of the Record Date and intend to vote at the virtual Annual Meeting, then you must request a legal proxy from your broker, bank, financial institution or other nominee or intermediary, and save it as a PDF, or image file format, in order to upload a copy with your electronic ballot during the virtual Annual Meeting. The Company is not involved in the provision of legal proxies

from brokers to beneficial shareholders. If you either do not request a legal proxy prior to the Annual Meeting or your broker fails to provide you a legal proxy, then you will not be able to change your previously submitted vote at the Annual Meeting or vote for the first time at the Annual Meeting.

Beneficial owners who have registered to attend the virtual Annual Meeting and intend to vote at the virtual Annual Meeting may click on the Shareholder Ballot link on the virtual Annual Meeting site, complete the electronic ballot, upload their legal proxy or other evidence of authority to vote, and click 'Sign and Submit' to have it sent directly to the Inspector of Election before the polls are closed at the virtual Annual Meeting.

The voting instruction form you received in connection with the Annual Meeting is not a legal proxy. If you do request a legal proxy from your broker, bank, financial institution or other nominee or intermediary, the issuance of the legal proxy will invalidate any prior voting instructions you have given and will prevent you from giving any further voting instructions to your broker, bank, financial institution or other nominee or intermediary to vote on your behalf. Consequently, you will only be able to vote by ballot at the Annual Meeting.

Beneficial owners are reminded that they can vote their shares prior to the virtual Annual Meeting over the Internet or by telephone by following the voting procedures described on the BLUE voting instruction form or by completing their BLUE voting instruction form, signing and dating it, and returning it in the postage-paid envelope previously provided.

Attending the Virtual Meeting

After registering to attend the virtual Annual Meeting, you will receive an email prior to the meeting with a link and instructions for entering the virtual Annual Meeting. Questions submitted during the Annual Meeting pertinent to meeting matters will be answered during the meeting, subject to time constraints. Additional information regarding the ability of shareholders to ask questions during the Annual Meeting will be included in the Rules of Procedure document that will be available on the virtual Annual Meeting site during the live webcast of the Annual Meeting.

The virtual meeting site is fully supported on Internet browsers and devices (e.g., desktops, laptops, tablets and smart phones) running the most updated version of applicable software and plugins. Each participant should ensure strong WiFi or other internet connection, and allow plenty of time to log in and ensure that he or she can hear streaming audio prior to the start of the Annual Meeting.

Your Board of Directors unanimously recommends that you cumulate your votes on the BLUE proxy card "FOR" Craig Bram, Susan Gayner, Henry Guy, Jeff Kaczka and Amy Michtich in Proposal 1, and "FOR" Proposals 2 and 3. Your vote is important no matter how many or how few shares you may own. To ensure that your shares are represented at the Annual Meeting, please vote today by Internet, by telephone or by mail. The BLUE proxy card included with the proxy materials previously distributed will not be updated to reflect the change in location and may continue to be used to vote your shares in connection with the Annual Meeting.

Shareholders may continue to vote by Internet, by telephone or by mail. Shareholders of record as of May 19, 2020, or proxy holders for such shareholders, may vote their shares on

the BLUE proxy card by (1) accessing www.proxyvoting.com/SYNL (2) calling 1-(800)-213-6370 in the U.S., U.S. territories and Canada; or (3) marking the BLUE proxy card, signing and dating it, and returning it in the postage-paid envelope previously provided or in another envelope to the address listed on the proxy card. Beneficial owners may enter their voting instructions over the Internet or by telephone by following the voting procedures described on the BLUE voting instruction form or by completing their BLUE voting instruction form, signing and dating it, and returning it in the postage-paid envelope previously provided. Shareholders may submit votes or voting instructions by Internet or by telephone until 11:59 p.m., Eastern Time, on June 29, 2020. Proxy cards and voting instruction forms submitted by mail must be received in sufficient time before the polls are closed at the Annual Meeting.
