Innovating Clean, Simplifying Care: Ascent Industries Launches New HI&I Ingredients Portfolio

SCHAUMBURG, Ill.--(BUSINESS WIRE)-- Ascent Industries Co. (Nasdaq: ACNT) ("Ascent" or the "Company"), an industrial company focused on the production of specialty chemicals and industrial tubular products, announced today the launch of its Household, Industrial, and Institutional (HI&I) Cleaning Ingredients Portfolio. The comprehensive range of engineered solutions delivers exceptional cleaning performance while prioritizing sustainability, reflecting Ascent's commitment to "Innovating Clean, Simplifying Care."

Ascent Industries will showcase its HI&I Ingredients Portfolio this week at the American Cleaning Institute (ACI) Conference in Orlando, Florida, January 27–31, 2025. The new portfolio includes bio-based surfactants and specialty additives that address the industry's growing demand for effective and environmentally friendly cleaning technologies. Built to meet the evolving needs of modern cleaning applications, the HI&I portfolio combines superior performance with cost-competitiveness and compliance with strict environmental and regulatory standards.

"The development and launch of our HI&I portfolio is a major milestone in our efforts to develop high-performing, sustainable solutions," said Bryan Kitchen, CEO of Ascent Industries. "It's all about solving real-world problems with precision while advancing the future of clean, safe, and sustainable care."

In addition to superior cleaning efficacy, the portfolio incorporates features like plant and tallow-based ingredients, reduced VOC content, and multifunctional additives designed to streamline formulations and improve product efficiency.
