Equifax SVP Andy Cooper Named 2015 Computerworld Premier 100 IT Leader Honoree

ATLANTA, Nov. 13, 2014 /PRNewswire/ -- Equifax Inc. (NYSE: EFX) today announced that Andy Cooper, Senior Vice President of Technology, was named as a 2015 [Computerworld Premier 100 IT Leaders](#) honoree. The Computerworld Premier 100 spotlights leaders from both the technology and business sides of companies for their exceptional technology leadership and innovative approaches to business challenges. Cooper heads up the Global Platform Services organization and is responsible for Equifax technology operations and infrastructure services.

Award nominees include IT leaders and tech-savvy professionals from across a myriad of industries, including financial services, healthcare, education, media, telecommunications, and retail markets. Each year, using Computerworld's IT Leader Index, 100 honorees are selected to receive this life-time recognition award.

"This award recognizes the achievements and commitment of our entire IT infrastructure team; it reflects the significant progress we've made in our transformation to an integrated platform-centric organization, including business enabling cloud services," said Andy Cooper, Senior Vice President of Technology. "Creating an environment where our people are free to think and innovate has enabled our business to be more agile, leverage new capabilities, and improve time-to-revenue. I am honored to receive this recognition."
