OneSource Virtual and Equifax Partner to Provide Workforce Management Solutions

DALLAS--(BUSINESS WIRE)-- OneSource Virtual, a leading Business Process as a Service (BPaaS) and professional services provider and [Equifax Workforce Solutions](#), a leader in human resource compliance, analytics and verification services, and a business unit of Equifax Inc. (NYSE:EFX), today announced a [partnership to deliver workforce management solutions to organizations](#). The partnership combines the expertise of OneSource Virtual in delivering innovative outsourcing services with the trusted data, analytics and insights of Equifax to present customers with tremendous time and cost saving measures.

"Time is an expensive commodity in today's world," says OneSource Virtual President and Chief Operating Officer, Trey Campbell. "Not only do organizations need information and verifications quickly, they need them provided accurately in order to make good decisions. Together, OneSource Virtual and Equifax are providing customers with strategic capabilities that are central to the pace of business."

Partnered with Equifax, OneSource Virtual will offer Work Opportunity Tax Credit (WOTC), Unemployment Cost Management and The Work Number® (TWN) verification services to its customers.

TWN will be included as a part of all OneSource Virtual Payroll deals, extending value to customers through protection of personal information via secure income and employment verification services. Organizations can minimize exposure to unemployment claims and costly legal fees through the use of the Unemployment Cost Management service while the WOTC offering helps customers realize valuable tax credits, with the possibility of significant savings to their organizations.

"We are excited to partner with Equifax, an OSV customer, to offer these valuable services," says OneSource Virtual Executive Vice President of Global Alliances, Michael Simpson. "We partnered with Equifax because they are a trusted name in the workforce management solutions industry and our partnership will allow new and current OSV customers to better serve its employees and further streamline their processes."

Tony Gaebler, Director, Strategic Alliances for Equifax Workforce Solutions, commented, "Our relationship with OneSource Virtual is a long-standing and valued one, and Equifax is pleased to announce the expansion of the partnership. This includes the addition of WOTC, Unemployment Cost Management capabilities and the availability of The Work Number to all OneSource Virtual clients and prospects. This alliance now enables us to bundle these best-in-class solutions for more employers."
