Newcastle Announces Second Quarter 2010 Results

Second Quarter 2010 Financial Results

NEW YORK--(BUSINESS WIRE)-- Newcastle Investment Corp. (NYSE: NCT) reported that for the quarter ended June 30, 2010, income applicable to common stockholders ("GAAP income") was \$118 million, or \$1.90 per diluted share, compared to a loss applicable to common stockholders of \$47 million, or \$0.90 per diluted share, for the quarter ended June 30, 2009.

GAAP income of \$118 million consisted of the following: \$22 million of net interest income less expenses (net of preferred dividends), \$53 million of other income, and \$43 million from the reversal of prior valuation allowances on loans net of the impairment on securities.

Other income is primarily related to a gain on the extinguishment of CDO debt. In the second quarter, Newcastle repurchased a face amount of \$64 million of CDO bonds for \$17 million, recording a \$47 million gain on the extinguishment of debt.

During the quarter, the Company completed a securitization transaction to refinance its Manufactured Housing Loans Portfolio I. The Company received unrestricted cash of \$14 million and retained the residual interest in the securitization.

For a reconciliation of income (loss) applicable to common stockholders to net interest income less expenses (net of preferred dividends), please refer to the tables following the presentation of the GAAP results.

Recourse Debt Financing and Liquidity

In the second quarter, the Company increased unrestricted cash by \$26 million and repaid \$19 million of non-agency recourse debt; the remaining \$1 million of non-agency recourse debt was repaid in July. The Company currently does not have any short-term recourse debt.

Certain details regarding the Company's liquidity and current financings are set forth below as of August 4, 2010:

- Cash - The Company had unrestricted cash of \$41 million. In addition, the Company had \$122 million of restricted cash for reinvestment in its CDOs;
- Margin Exposure - The Company had no financings or derivatives subject to margin calls.

The following table illustrates the change in unrestricted cash and recourse financings, excluding junior subordinated notes (\$ in millions):

(1) Represents net cash received from each CDO based on all of the interests in such CDO (including senior management fees). Cash receipts for the quarter ended June 30, 2010 may not be indicative of cash receipts subsequent periods. See Forward-Looking Statements below for risks and uncertainties that could cause cash receipts for subsequent periods to differ materially from these amounts.

Represents excess or deficiency under the applicable interest coverage or over collateralization test to t

first threshold at which cash flow would be redirected. The Company generally does not receive material cash flow from a CDO until a deficiency is corrected. The information regarding coverage tests is based on data the most recent remittance date on or before July 31, 2010, June 30, 2010, or March 31, 2010, as applicable. The CDO IV and V tests are conducted only on a quarterly basis (December, March, June and September).

Represents the face amount of assets on negative watch for possible downgrade by at least one rating agency (Moody's, S&P or Fitch). Amounts are as of the determination date pertaining to June 2010 remittances for IV and V (these tests are conducted only on a quarterly basis) and as of the determination date pertaining to July 2010 remittances for all other CDOs. The amounts include \$213 million of bonds issued by Newcastle, which are eliminated in consolidation and not reflected in the investment portfolio disclosures.

- \$2 million of the \$15 million CDO cash receipts were senior collateral management fees, which were not subject to their related CDO coverage tests.
- The cash receipts above also include \$5 million of non-recurring interest, prepayment, extension and yield maintenance fees received in the CDOs.

Book Value

GAAP book value increased by \$280 million or \$4.53 per share. As of June 30, 2010, GAAP book value was \$(899) million or \$(14.49) per share compared to \$(1.2) billion or \$(19.02) per share at March 31, 2010.

Dividends

For the quarter ended June 30, 2010, Newcastle's Board of Directors elected not to pay a common stock or preferred stock dividend. The Company decided to retain capital to further reduce recourse debt and for working capital purposes.

Investment Portfolio

Newcastle's \$4.8 billion investment portfolio (with a basis of \$3.1 billion) consists of commercial, residential and corporate debt. During the quarter, the portfolio decreased by \$64 million, primarily as a result of principal repayments of \$176 million, sales of \$96 million and actual principal write-downs of \$47 million, offset by purchases of \$248 million at an average price of 76% of par, an average yield of 15.3% and an average life of 4.6 years.

Forward-Looking Statements

Certain items in this press release may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including, but not limited to, statements relating to our liquidity, future losses and impairment charges, our ability to acquire assets with attractive returns and the delinquent and loss rates on our subprime portfolios. These statements are based on management's current expectations and beliefs and are subject to a number of trends and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements, many of which are beyond our control. Newcastle can give no assurance that its expectations will be attained. Factors that could cause actual results to differ materially from Newcastle's expectations include, but are not limited to, the risk that the ongoing challenging credit and liquidity conditions continue to cause downgrades of a significant number of our securities and recording of additional impairment charges or reductions in shareholders' equity; the risk that we can find additional suitably priced investments; the risk that investments made or committed to be made cannot be financed on the basis and for the term at which we expect; the relationship between yields on assets which are paid off and yields on assets in which such monies can be reinvested; and the relative spreads between the yield on the assets we invest in and the cost and availability of debt and equity financing. Accordingly, you should not place undue reliance on any forward-looking statements contained in this press release. For a discussion of some of the risks and important factors that could affect such forward-looking statements, see the sections entitled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operation" in the Company's Quarterly Report on Form 10-Q, which is available on the Company's website (www.newcastleinv.com). In addition, new risks and uncertainties emerge from time to time, and it is not possible for the Company to predict or assess the impact of every factor that may cause its actual results to differ from those contained in any forward-looking statements. Such forward-looking statements speak only as of the date of this press release. Newcastle expressly disclaims any obligation to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with regard thereto or change in events, conditions or circumstances on which any statement is based.
