# Success of New Venues Showcased in Drive Shack Inc.'s Third Quarter 2019 Results

The Company announces successful opening of 3 new Drive Shack venues, results significantly outperform expectations

Achieves goal of selling 24 owned golf courses for total proceeds of ~\$170 million

NEW YORK--(BUSINESS WIRE)-- Drive Shack Inc. (NYSE: DS), a leading owner and operator of golf entertainment and leisure venues, today announced financial results for its third quarter ended September 30, 2019.

The Company announced the successful openings of three Generation 2.0 Drive Shack venues: Raleigh, NC opened August 23<sup>rd</sup>; Richmond, VA opened September 20<sup>th</sup>; West Palm Beach, FL opened October 18<sup>th</sup>. As of November 8<sup>th</sup>, the three new venues generated combined revenue of \$6.5 million, exceeding the Company's plan by 21%. The new venues are expected to continue to ramp up faster than anticipated and achieve average EBITDA of \$4 million to \$6 million and development yields of 10 to 15% in 2020. Additionally, the Company announced the retirement of Ken May, who served as Chief Executive Officer. Hana Khouri, the Company's current President, will be assuming the role of CEO and President.

"It has been a tremendous quarter, and we are thrilled to announce the success of our Generation 2.0 venues," says Hana Khouri. "To open not one, but three new venues in a span of three months, and to see results of this caliber out of the gate, illustrates the strong trajectory of the company, as well as the talented and experienced leadership we have in place."

"These results provide a real platform for valuation, stability, and growth of Drive Shack moving forward," says Chairman of the Board of Directors, Wes Edens. "Hana and her team have done a phenomenal job and set a precedent for the level of success we expect moving forward as we grow the company on a national scale."

Additionally, the Company announced substantial progress in the development of its newest innovation, the "Urban Box." The indoor format will provide a social, technology-enhanced mini golf experience designed for dense, urban locations. The focus on putting reduces venue dimension requirements compared to the core Drive Shack stores, and therefore provides more real estate opportunities, shorter development timelines and less capital risk. Three Urban Box stores are set to debut alongside Drive Shack's New Orleans venue in 2020.

The Company also announced the completion of its goal to sell 24 of its 26 owned golf courses for total proceeds of approximately \$170 million by year end 2019. The proceeds

will be used to fund the development of the Company's entertainment golf venues.
