Located in the North Loop, Puttery Minneapolis's grand opening will kick off the summer for Minneapolis locals and visitors looking for a not-so-typical evening and weekend activity. Puttery is a modern spin on putting, re-defining the game with unique twists at every hole. This adults-only, 20,265-square-foot venue features several bar and lounge areas where guests can enjoy a

chef-inspired menu and craft cocktails before, during, and after their tee time. Guests will be able to immerse themselves in one of three, nine-hole courses for an experience unlike any other:

- **Art Museum** – You don't need to be an art critic to appreciate the delicate, bold, and vibrant intricacies on display throughout this curated nine-hole course. All you need is to appreciate a good time.
- **Conservatory** – Be at one with nature as you traverse this lush but challenging nine-hole desert course. Take in the giant redwoods, prickly cacti, and dazzling cherry blossoms. All with a drink in hand, of course.
- **Library** – There's nothing by-the-book about this exciting nine-hole course. Browse the shelves, spin the globe, say hi to the dimetrodon and beat the pants off your friends.
