

Marathon Patent Group Declares Stock Dividend

LOS ANGELES, CA -- (Marketwired) -- 11/25/14 -- **Marathon Patent Group, Inc.** (NASDAQ: MARA) ("Marathon"), a patent licensing company, announced that the Company's Board of Directors has declared a stock dividend of one additional share of Common Stock for each share of Common Stock held by such holders as of the close of business December 15, 2014.

Doug Croxall, Founder & Chief Executive Officer of Marathon, stated, "We are very pleased to announce that our Board has declared a one-time stock dividend resulting in a doubling of the number of shares of our common stock. Today's announcement is the result of our strong financial and stock price performance and the confidence we have in our ability to continue to create long-term profitable growth."

Croxall continued, "We view this dividend issuance as a way to not only reward our existing shareholders, but also to expand the distribution and market liquidity of the Company's shares, possibly creating the opportunity for longer term institutions to become shareholders."

The stock dividend will not change the proportionate interest that a shareholder maintains in the Company. Holders of record on the record date do not have to take any action to receive the dividend, which will be sent directly by the transfer agent to the address on record. All Beneficial Holders that hold shares in street name will be processed through their brokers.
