

Marathon Patent Group Announces Third Quarter Financial Results and Provides Update on Patent Litigation with Amazon.com

Year Over Year Revenues Increase 108% While Loss Per Share Decreases

LAS VEGAS, Nov. 13, 2018 (GLOBE NEWSWIRE) -- Marathon Patent Group, Inc. (NASDAQ:[MARA](#)) ("Marathon" or "Company"), today announced its operating results for the three months ended September 30, 2018, as published in its Quarterly Report on Form 10-Q filed today with the Securities and Exchange Commission.

Operating Results for the Three Months Ended September 30, 2018

- Total revenue increased 108% to \$338,673 for the three months ended September 30, 2018 compared to \$162,713 for the three months ended September 30, 2017.
- Operating loss improved to \$1.5 million (including non-cash expenses) for the three months ended September 30, 2018 compared to an operating loss of \$3.9 million for the three months ended September 30, 2017.
- GAAP net loss improved to \$(0.06) per basic and diluted share for the three months ended September 30, 2018 compared to \$(1.06) for the three months ended September 30, 2017.

Minority Owned Special Purpose Entity/Plaintiff Files Suit Against Amazon.

As previously announced, Marathon transferred ownership of various patents to a special purpose entity in which it owns a 30% interest. The transfers resulted in the cancellation of certain indebtedness owed to Fortress Investment Group, LLC. According to various court filings in the case, plaintiffs filed an action was commenced against Amazon claiming that its Alexa software violates certain claims in the patents. If plaintiffs are successful, and if the recoveries or settlement proceeds are sufficient following litigation expenses and recovery of amounts due in connection with the cancelled loan, the special purpose entity could be entitled to a portion of the net proceeds. There can be no assurance that the plaintiff will be successful or that any recoveries will exceed amounts due under the debt settlement arrangements or that the Company's 30% interest in the SPE will have any value even if the

plaintiffs are successful in their case against Amazon.

Merrick Okamoto, Chief Executive Officer, stated, "We're pleased to have shown financial improvement for the quarter, including doubling revenues and significantly reducing losses on a per share basis. Looking forward, our management is actively reviewing potential acquisition opportunities. If a successful agreement is reached with a targeted acquisition, we will promptly announce the terms and closing conditions to our shareholders."
