About Clever Leaves Holdings Inc.

Clever Leaves is a multinational cannabis company with an emphasis on ecologically sustainable, large-scale cultivation and pharmaceutical-grade processing as the cornerstones of its global cannabis business. With operations and investments in the United States, Canada, Colombia, Germany and Portugal, Clever Leaves has created an effective distribution network and global footprint, with a foundation built upon capital efficiency and rapid growth. Clever Leaves aims to be one of the industry's leading global cannabis companies recognized for its principles, people, and performance while fostering a healthier global community. Clever Leaves has received multiple international certifications that have enabled it to increase its export and sales capacity from its Colombian operations, including European Union Good Manufacturing Practices (EU GMP) Certification, a Good Manufacturing Practices (GMP) Certification by Colombia National Food and Drug Surveillance Institute - Invima, and Good Agricultural and Collecting Practices (GACP) Certification. Clever Leaves was granted a license in Portugal from Infarmed – the Portuguese health authority – which allows Clever Leaves to cultivate, import and export dry flower for medicinal and research purposes. In addition, the Portuguese operation was granted certification of compliance with GACP and IMC-GAP.
