TOUGHBUILT™ ANNOUNCES HISTORIC INCREASE IN GROWTH IN YEAR OVER YEAR SALES IN U.K.

LAKE FOREST, Calif, Jan. 06, 2020 (GLOBE NEWSWIRE) -- ToughBuilt Industries, Inc. ("ToughBuilt") (NASDAQ: TBLT; TBLTW) , is an advanced product design, manufacturer and distributor with emphasis on innovative products, currently focused on tools and other accessories for the professional and do-it-yourself construction industries. The company announced today that its sales in the United Kingdom were \$1,750,000 for 2019, as compared to \$726,000 in 2018. Thus, year over year sales grew by \$1,024,000 or 141%.

Chief Executive Officer Michael Panosian said, "Our over 100% growth in U.K. sales this year is a huge win for the Company. It shows the popularity of our products and brand acceptance in Western Europe, a market we are focused to grow quickly. We continue to expand to new U.K. retailers and to initiate strong sales within the rest of Western Europe. 2019 proves that we can gain market traction outside of North America and increase demand and sales for years to come. We are actively increasing our efforts and investing in infrastructure needed to grow rapidly."

FORWARD-LOOKING STATEMENTS

This press release contains "forward-looking statements." Such statements may be preceded by the words "intends," "may," "will," "plans," "expects," "anticipates," "projects," "predicts," "estimates," "aims," "believes," "hopes," "potential" or similar words. Forward-looking statements are not guarantees of future performance, are based on certain assumptions and are subject to various known and unknown risks and uncertainties, many

of which are beyond the Company's control, and cannot be predicted or quantified and consequently, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, without limitation, risks and uncertainties associated with (i) market acceptance of our existing and new products, (ii) delays in bringing products to key markets, (iii) an inability to secure regulatory approvals for the ability to sell our products in certain markets, (iv) intense competition in the industry from much larger, multinational companies, (v) product liability claims, (vi) product malfunctions, (vii) our limited manufacturing capabilities and reliance on subcontractors for assistance, (viii) our efforts to successfully obtain and maintain intellectual property protection covering our products, which may not be successful, (ix) our reliance on single suppliers for certain product components, (x) the fact that we will need to raise additional capital to meet our business requirements in the future and that such capital raising may be costly, dilutive or difficult to obtain and (xi) the fact that we conduct business in multiple foreign jurisdictions, exposing us to foreign currency exchange rate fluctuations, logistical and communications challenges, burdens and costs of compliance with foreign laws and political and economic instability in each jurisdiction. More detailed information about the Company and the risk factors that may affect the realization of forward looking statements is set forth in the Company's filings with the Securities and Exchange Commission (SEC), including the Company's Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q. Investors and security holders are urged to read these documents free of charge on the SEC's web site at <http://www.sec.gov>. The Company assumes no obligation to publicly update or revise its forward-looking statements as a result of new information, future events or otherwise.
