TOUGHBUILT CONTINUES TO FORGE AHEAD WITH ITS BUSINESS PLAN, SUPPORTING ITS EMPLOYEES AND CUSTOMERS DURING CORONAVIRUS CRISIS

Lake Forest, CA, March 19, 2020 (GLOBE NEWSWIRE) -- ToughBuilt Industries, Inc. ("ToughBuilt") (NASDAQ: TBLT; TBLTW) announced today that despite recent conditions due to the coronavirus pandemic and resulting stock market turmoil, it is continuing to employ its entire workforce, while working remotely for their safety. The Company continues to supply products to its existing and new customers, both through traditional and online channels.

CEO, Michael Panosian, said "I am especially proud of our dedicated "TOUGH TEAM" for their outstanding support and continued efforts to ensure a reliable supply chain and for bringing new products to market. This recent unfortunate turn of events highlights the importance of mutual cooperation with our retail partners and our online capability to continue shipping products for consumers across the globe. Fortunately, our factories are now back to almost full capacity, and we have sufficient inventory to meet demand. We will continue to monitor and adjust as needed to ensure supply, new product flow and continued growth strategies."

ABOUT TOUGHBUILT INDUSTRIES, INC.

ToughBuilt is an advanced product design, manufacturer and distributor with emphasis on innovative products. Currently focused on tools and other accessories for the professional and do-it-yourself construction industries. We market and distribute various home improvement and construction product lines for both the do-it-yourself and professional markets under the TOUGHBUILT brand name, within the global multibillion dollar per year tool market industry. FORWARD-LOOKING STATEMENTS

This press release contains “forward-looking statements.” Such statements may be preceded by the words “intends,” “may,” “will,” “plans,” “expects,” “anticipates,” “projects,” “predicts,” “estimates,” “aims,” “believes,” “hopes,” “potential” or similar words. Forward-looking statements are not guarantees of future performance, are based on certain assumptions and are subject to various known and unknown risks and uncertainties, many of which are beyond the Company’s control, and cannot be predicted or quantified and consequently, actual results may differ materially from those expressed or implied by such forward-looking statements. Such risks and uncertainties include, without limitation, risks and uncertainties associated with (i) market acceptance of our existing and new products, (ii) delays in bringing products to key markets, (iii) an inability to secure regulatory approvals for the ability to sell our products in certain markets, (iv) intense competition in the industry from much larger, multinational companies, (v) product liability claims, (vi) product malfunctions, (vii) our limited manufacturing capabilities and reliance on subcontractors for assistance, (viii) our efforts to successfully obtain and maintain intellectual property protection covering our products, which may not be successful, (ix) our reliance on single suppliers for certain product components, (x) the fact that we will need to raise additional capital to meet our business requirements in the future and that such capital raising may be costly, dilutive or difficult to obtain and (xi) the fact that we conduct business in multiple foreign jurisdictions, exposing us to foreign currency exchange rate fluctuations, logistical and communications challenges, burdens and costs of compliance with foreign laws and political and economic instability in each jurisdiction. More detailed information about the Company and the risk factors that may affect the realization of forward looking statements is set forth in the Company’s filings with the Securities and Exchange Commission (SEC), including the Company’s Annual Report on Form 10-K and its Quarterly Reports on Form 10-Q. Investors and security holders are urged to read these documents free of charge on the SEC’s web site at <http://www.sec.gov>. The Company assumes no obligation to publicly update or revise its forward-looking statements as a result of new information, future events or otherwise.
