Entertainment And Retail Destination Distrito T-Mobile Keeps Visitors Safe With Evolv Technology

The venue is Evolv's first customer in Puerto Rico

WALTHAM, Mass.--(BUSINESS WIRE)-- Evolv Technology (NASDAQ: EVLV), the leader in weapons detection security screening, today announced its newest partnership, with [Distrito T-Mobile](#). The entertainment complex is Evolv's first customer in Puerto Rico, and reflects the company's growing presence outside of the continental United States.

Distrito T-Mobile, which opened in August 2021 and is located in the Miramar section of San Juan, drew more than 1.7 million visitors in its first six months of operation. Evolv's state-of-the-art Evolv Express® weapons screening solution allows visitors to seamlessly walk into the 476,000 square-foot complex, without burdensome delays at the entrance.

"Distrito T-Mobile is just getting started," said Francisco Mariani, Distrito T-Mobile's General Manager. "The response from the public so far has been outstanding, and we are so happy to have Evolv on board to help keep our visitors safe. Providing a secure entertainment destination is our priority"

In addition to restaurants, a hotel, and a movie theater, Distrito T-Mobile is home to an urban park with ziplines and a rock-climbing wall. Coca-Cola Music Hall, which seats as many as 5,000 people per show, is also a major attraction, hosting a variety of entertainment activities, including concerts, family shows and corporate meetings.

Protecting it all is Evolv Express®, which combines powerful sensor technology with artificial intelligence (AI) to provide safer, more accurate threat detection at unprecedented volume, ease and speed. The technology enables guests to walk through security screenings side-by-side, without removing items from their pockets or bags.

"This partnership is exciting because not only does Evolv help visitors to Distrito T-Mobile stay safe, but the work we are doing together marks our expansion into Puerto Rico," said Peter George, CEO of Evolv Technology. "Our mission is to help make the *world* a safer place, and this brings us another step closer to that."

Distrito T-Mobile is a part of Puerto Rico's rebuilding efforts following Hurricane Maria and devastating earthquakes. The venue expects more than 3 million visitors by the end of its first year of operation, with more than 80 concerts and private events scheduled at the Coca-Cola Music Hall for the remainder of 2022.

About Distrito T-Mobile

Distrito T-Mobile is Puerto Rico's premier entertainment destination. The 476,000 square-foot complex features a Caribbean Cinemas VIP movie theater, Toro Verde Urban Park, with

ziplinesan arcade and virtual reality gaming center, a wide range of restaurants, the Coca-Cola Music Hall, and the first Aloft hotel in the Caribbean. Its facilities and concepts of food, beverages and entertainment connect at the heart of the project, Popular Plaza. A 50,000 square feet plaza with a fully digitized 14,500-footstage system with 19 LED screens and 19 million pixels, providing a 360 experience to visitors. This is the meeting point for locals and tourists looking for unique experiences and human connection in real-time and space. For more information, visit <https://distritot-mobile.com>.

About Evolv Technology

Evolv Technology (NASDAQ: EVLV) is transforming human security to make a safer, faster, and better experience for the world's most iconic venues and companies as well as schools, hospitals, and public spaces, using industry leading artificial intelligence (AI)-powered weapons detection and analytics. Its mission is to transform security to create a safer world to work, learn, and play. Evolv has digitally transformed the gateways in places where people gather by enabling seamless integration with unparalleled analytics and insights. Evolv's advanced systems have scanned more than 250 million people, second only to the Department of Homeland Security's Transportation Security Administration (TSA) in the United States. Evolv has been awarded the U.S. Department of Homeland Security (DHS) SAFETY Act Designation as a Qualified Anti-Terrorism Technology (QATT) as well as the Security Industry Association (SIA) New Products and Solutions (NPS) Award in the Law Enforcement/Public Safety/Guarding Systems category. Forward-looking Statements

Certain statements in this press release may constitute "forward-looking" statements and information, within the meaning of Section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995 that relate to our current expectations and views of future events. In some cases, these forward-looking statements can be identified by words or phrases such as "may," "will," "expect," "anticipate," "aim," "estimate," "intend," "plan," "believe," "potential," "continue," "is/are likely to" or other similar expressions. These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events or our Company's performance and are not a guarantee of future performance. Actual outcomes may differ materially from the information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risk factors set forth in our Annual Report on Form 10-K for the year ended on December 31, 2021, that was filed with the SEC on March 28, 2022, and other documents filed with or furnished to the SEC. These statements reflect management's current expectations regarding future events and operating performance and speak only as of the date of this press release. You should not put undue reliance on any forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee that future results, levels of activity, performance and events and circumstances reflected in the forward-looking statements will

be achieved or will occur. Except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events.
