March 27, 2024

Evolv Express® Operating at Ten Professional Baseball Stadiums on MLB Opening Day 2024

Evolv customer PNC Park in Pittsburgh recently ranked as #1 ballpark in the majors by USA Today

WALTHAM, Mass.--(BUSINESS WIRE)-- Evolv Technology (NASDAQ: EVLV), the leading security technology company pioneering AI-based weapons detection to create safer experiences, today announced that a total of ten professional baseball teams are using the award-winning Evolv Express® system for guest ingress screening as of Opening Day 2024 (March 28). This roster includes, among others, the 2022 World Series Champion Houston Astros (Minute Maid Park), the New York Mets (Citi Field), and the company's hometown Boston Red Sox (Fenway Park).

John Baier, Evolv's vice president of sports, marked the occasion by stating, "Like baseball fans across the country, we celebrate Opening Day and the start of baseball in 2024. We greatly appreciate the trust that our customers place in Evolv to deliver fan-friendly security screening." On the subject of fan-friendliness, Baier added, "We extend a special acknowledgement to the Pittsburgh Pirates and PNC Park, which was recently ranked by USA Today as the country's #1 ballpark. We're proud to be the Pirates' Official Screening Partner and contribute to their exceptional fan experience."

Evolv's traction within professional baseball, with ten customers among the 30 teams, is mirrored in the other major North American sports leagues. To date, the company counts as customers 11 professional football teams, 10 professional soccer teams, nine professional hockey teams and seven professional basketball teams. Recent additions to the Company's sports customer roster include: Sporting Kansas City, for whom Evolv is the Official Fan Screening Partner; Boston's TD Garden, home of the Boston Celtics and Boston Bruins, for which Evolv is the Official Fan Screening Provider; and the 95,000-seat Melbourne Cricket Ground (MCG) in Australia, the Company's first deployment in the Southern Hemisphere.

This traction is evidence of Evolv's strong sports industry value proposition and comprehensive customer service. Evolv Express is deployed at almost 50 major professional and collegiate sports venues. Beyond sports, Evolv's systems are in use with more than 700 total customers, including leading theme parks, performing arts centers, and casinos, plus hundreds of schools and hospitals as well as houses of worship. Evolv Express systems screened more than one billion people and detect an average of more than 1,000 weapons on a typical day.

Evolv recently received recognition from *Sports Business Journal*, which named Evolv Express as both "Best in Fan Experience Technology" and "Best in Sports Technology" for 2024.

About Evolv Technology

Evolv Technology (NASDAQ: EVLV) is transforming human security to make a safer, faster, and better experience for the world's most iconic venues and companies as well as schools, hospitals, and public spaces, using industry leading artificial intelligence (AI)-powered weapons detection and analytics. Its mission is to transform security to create a safer world to work, learn, and play. Evolv has digitally transformed the gateways in places where people gather by enabling seamless integration combined with powerful analytics and insights. Evolv's advanced systems have scanned more than a billion people since 2019. Evolv has been awarded the U.S. Department of Homeland Security (DHS) SAFETY Act Designation as a Qualified Anti-Terrorism Technology (QATT) as well as the Security Industry Association (SIA) New Products and Solutions (NPS) Award in the Law Enforcement/Public Safety/Guarding Systems category, as well as Sport Business Journal's (SBJ) awards for "Best In Fan Experience Technology" and "Best In Sports Technology". Forward-looking Statements

Certain statements in this press release may constitute "forward-looking" statements and information, within the meaning of Section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934, and the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995 that relate to our current expectations and views of future events. In some cases, these forward-looking statements can be identified by words or phrases such as "may," "will," "expect," "anticipate," "aim," "estimate," "intend," "plan," "believe," "potential," "continue," "is/are likely to" or other similar expressions. These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond our control. In addition, these forward-looking statements reflect our current views with respect to future events or our Company's performance and are not a guarantee of future performance. Actual outcomes may differ materially from the information contained in the forward-looking statements as a result of a number of factors, including, without limitation, the risk factors set forth in our Annual Report on Form 10-K for the year ended on December 31, 2023, that was filed with the SEC on February 29, 2024, as may be updated in other filings we make with the SEC, including our Quarterly Report on Form 10-Q for the quarter ended on September 30, 2023 that was filed with the SEC on November 9, 2023. These statements reflect management's current expectations regarding future events and operating performance and speak only as of the date of this press release. You should not put undue reliance on any forward-looking statements. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee that future results, levels of activity, performance and events and circumstances reflected in the forward-looking statements will be achieved or will occur. Except as required by law, we undertake no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise, after the date on which the statements are made or to reflect the occurrence of unanticipated events.
