Phunware Selected by Dignity Health Yavapai Regional Medical Center for Location Based Services Software

Contract Expansion Adds 40th Facility

AUSTIN, Texas, March 03, 2021 (GLOBE NEWSWIRE) -- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the "Company"), a fully-integrated [enterprise cloud platform](#) for mobile that provides products, solutions, data and services for brands worldwide, announced today that it has closed a five-year contract expansion for its [Multiscreen-as-a-Service](#) ("MaaS") platform and patented [MaaS Location Based Services](#) ("LBS") software at [Dignity Health, Yavapai Regional Medical Center](#) ("YRMC") in Prescott, Arizona.

Incorporated in 1942, YRMC is the region's leading not-for-profit healthcare system with two acute care hospitals, a network of primary and specialty care clinics, outpatient health and wellness centers, cardiac diagnostic centers, and outpatient medical imaging centers. Together, YRMC's network of services provides medical care and wellness resources to a geographic area encompassing 5,500 square miles and covering the communities of Prescott, Prescott Valley, Chino Valley, Dewey, Humboldt, Mayer, Paulden, Bagdad, Yarnell, Kirkland, Skull Valley, and Crown King.

Phunware's patented [MaaS LBS](#) software and [beacon maintenance](#) solution delivers proximity, sub one-second, real-time blue dot indoor positioning, navigation and wayfinding functionality across campuses and facilities while simplifying and streamlining the underlying beacon deployment and management for both facility staff and administrators. The software is not only [ADA compliant](#), addressing the needs of anyone who is visually impaired, hearing impaired or wheelchair bound, but it also transitions seamlessly between indoor and outdoor environments.

This expanded deployment of Phunware's MaaS platform at YRMC enables even more patients, staff members and visitors to easily engage with critical healthcare functions and navigate over 22 million square feet of covered medical facilities across Dignity Health's growing network.

"Dignity Health's leadership team has embraced digital transformation and is setting the standard for patient care by leveraging our cutting edge, state-of-the-art technology," said [Alan S. Knitowski](#), President, CEO and Co-Founder of Phunware. "We are excited to work with the team at YRMC, which represents the 40th deployment of our MaaS LBS software for Dignity Health."

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans, and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
