Our team's focus remains simple: working safely, partnering with our customers, managing decisively, and controlling what we can control. This focus has enabled us to deliver a strong first half, and a record quarterly result for Adjusted Net Income. I believe our last three quarterly results are proof points that we are accelerating through this cycle and taking share. We have a superior value proposition that helps our customers grow profitably and be successful. Our team is focused on maintaining momentum to deliver strong financial results again in the third quarter as highlighted by our guidance range provided today. We are homeowner focused, customer and contractor driven, providing the entire value chain with world class products and services.”
