FORWARD-LOOKING STATEMENTS

"Safe Harbor" Statement under the Private Securities Litigation Reform Act of 1995: The matters discussed in this press release that are not historical facts, contain forward-looking information with respect to strategic initiatives. Such forward-looking statements are based on current plans and expectations, which are subject to a number of uncertainties and risks. These uncertainties and risks could cause future results to differ materially from those anticipated by such statements. The following factors, among others, could cause actual results to differ from those set forth in these forward looking statements: our ability to integrate business and operations of companies and banks that we have acquired, and those we may acquire in the future; legislative or regulatory changes; changes in the interest rate environment; changes in the securities and real estate markets; increased competition and its effects on pricing; changes in monetary and fiscal policies of the U.S. government;

and changes in accounting principles, policies, practices, or guidelines. Additional factors that could cause the Company's results to differ materially from those described in the forward- looking statements can be found in Capital City Bank Group's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, and the Company's other filings with the Securities and Exchange Commission ("SEC") and available at the SEC's internet site (<http://www.sec.gov>). The forward-looking statements in this press release speak only as of the date of the press release, and the Company assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those contained in the forward-looking statements.
