Amedica Announces Participation in 2015 Ladenburg Thalmann Healthcare Conference

SALT LAKE CITY, Sept. 15, 2015 (GLOBE NEWSWIRE) -- Amedica Corporation (Nasdaq:AMDA), a company that develops and commercializes silicon nitride ceramics as a biomaterial platform, today announced its expected participation in the following investor conference:

2015 Ladenburg Thalmann Healthcare Conference

Tuesday, September 29, 2015

11:30 AM Eastern Time

New York, NY

Dr. Sonny Bal, Chairman and CEO, will conduct a formal presentation and participate in one-on-one meetings.

This event will be available via webcast at the specified start time on the Investor Relations section of the Amedica website, investors.amedica.com. The replay will also be available on the website for 90 days following the conference.

About Amedica Corporation

Amedica is focused on the development and application of medical-grade silicon nitride ceramics. Amedica markets spinal fusion products and is developing a new generation of wear- and corrosion-resistant implant components for hip and knee arthroplasty. The Company manufactures its products in its ISO 13485 certified manufacturing facility and through its partnership with Kyocera, the world's largest ceramic manufacturer. Amedica's spine products are FDA-cleared, CE-marked, and are currently marketed in the U.S. and select markets in Europe and South America through its distributor network and its growing OEM partnerships.
