Red Chip to Host Investor Webinar and Q&A Session with Milestone Scientific CEO on May 26

LIVINGSTON, NJ / ACCESSWIRE / May 22, 2020 Milestone Scientific Inc. (NYSE American:MLSS), a leading developer of computerized drug delivery instruments that provide painless and precise injections, today announced that Red Chip will host an investor webinar and Q&A session with Leonard Osser, Interim Chief Executive Officer, to discuss the company's recent developments and upcoming milestones. The investor webinar will be held on Tuesday, May 26, 2020 at 11:00 a.m. ET. A live Q&A session with Mr. Osser will follow the presentation.

To participate in the webinar, please register at https://www.redchip.com/corporate/webinar_register/60

Questions can be pre-submitted to craig@redchip.com or online during the event.

About Milestone Scientific Inc.

Milestone Scientific Inc. (MLSS) is a biomedical technology research and development company that patents, designs, develops and commercializes innovative diagnostic and therapeutic injection technologies and instruments for medical, dental, cosmetic and veterinary applications. Milestone's computer-controlled systems are designed to make injections precise, efficient, and virtually painless. Milestone's proprietary DPS Dynamic Pressure Sensing technology® is our technology platform that advances the development of next-generation devices, regulating flow rate and monitoring pressure from the tip of the needle, through platform extensions for local anesthesia for subcutaneous drug delivery, with specific applications for cosmetic botulinum toxin injections, epidural space identification in regional anesthesia procedures and intra-articular joint injections. For more information please visit our website: www.milestonescientific.com.

Safe Harbor Statement

This press release contains forward-looking statements regarding the timing and financial impact of Milestone's ability to implement its business plan, expected revenues, timing of regulatory approvals and future success. These statements involve a number of risks and uncertainties and are based on assumptions involving judgments with respect to future economic, competitive and market conditions, future business decisions and regulatory developments, all of which are difficult or impossible to predict accurately and many of which are beyond Milestone's control. Some of the important factors that could cause actual results to differ materially from those indicated by the forward-looking statements are general economic conditions, failure to achieve expected revenue growth, changes in our operating expenses, adverse patent rulings, FDA or legal developments, competitive pressures,

changes in customer and market requirements and standards, and the risk factors detailed from time to time in Milestone's periodic filings with the Securities and Exchange Commission, including without limitation, Milestone's Annual Report for the year ended December 31, 2019. The forward-looking statements in this press release are based upon management's reasonable belief as of the date hereof. Milestone undertakes no obligation to revise or update publicly any forward-looking statements for any reason.
