Gulf Island Announces Project Award

HOUSTON, July 31, 2019 (GLOBE NEWSWIRE) -- Gulf Island Fabrication, Inc. ("Gulf Island" or the "Company") (NASDAQ: GIFI) announced today that it has received an award for the construction of a (70) seventy vehicle ferry from the Texas Department of Transportation. Delivery is scheduled for late 2021. The ferry will operate between Galveston and Bolivar Island, Texas.

"I am pleased to have been selected to build this ferry for the Texas Department of Transportation," said Kirk Meche, Gulf Island's President and Chief Executive Officer. "This award is another example of our commitment to diversify outside of our traditional oil and gas markets to provide opportunities for our employees and returns for our shareholders."

Cautionary Statement

This Release contains forward-looking statements in which we discuss our potential future performance. Forward-looking statements, within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995, are all statements other than statements of historical facts, such as projections or expectations relating to oil and gas prices, operating cash flows, capital expenditures, liquidity and tax rates. The words "anticipates," "may," "can," "plans," "believes," "estimates," "expects," "projects," "targets," "intends," "likely," "will," "should," "to be," "potential" and any similar expressions are intended to identify those assertions as forward-looking statements.

We caution readers that forward-looking statements are not guarantees of future performance and actual results may differ materially from those anticipated, projected or assumed in the forward-looking statements. Important factors that can cause our actual results to differ materially from those anticipated in the forward-looking statements include

the cyclical nature of the oil and gas industry, competition, consolidation of our customers, timing and award of new contracts, reliance on significant customers, financial ability and credit worthiness of our customers, nature of our contract terms, competitive pricing and cost overruns on our projects, adjustments to previously reported profits or losses under the percentage-of-completion method, weather conditions, changes in backlog estimates, suspension or termination of projects, ability to raise additional capital, ability to amend or obtain new debt financing or credit facilities on favorable terms, ability to remain in compliance with our covenants contained in our Credit Agreement, ability to generate sufficient cash flow, ability to sell certain assets, customer or subcontractor disputes, ability to resolve the dispute with a customer relating to the purported termination of contracts to build two MPSVs, operating dangers and limits on insurance coverage, barriers to entry into new lines of business, ability to employ skilled workers, loss of key personnel, performance of subcontractors and dependence on suppliers, changes in trade policies of the U.S. and other countries, compliance with regulatory and environmental laws, lack of navigability of canals and rivers, shutdowns of the U.S. government, systems and information technology interruption or failure and data security breaches, performance of partners in our joint ventures and other strategic alliances, and other factors described in Item 1A "Risk Factors" in our 2018 Annual Report as may be updated by subsequent filings with the SEC.

Investors are cautioned that many of the assumptions upon which our forward-looking statements are based are likely to change after the forward-looking statements are made, which we cannot control. Further, we may make changes to our business plans that could affect our results. We caution investors that we do not intend to update forward-looking statements more frequently than quarterly notwithstanding any changes in our assumptions, changes in business plans, actual experience or other changes, and we undertake no obligation to update any forward-looking statements.
