TAMPA, Fla.--(BUSINESS WIRE)-- [Andersen](#), the fastest-growing independent, multidisciplinary professional services firm in the world, has announced a new office in Tampa as the firm expands its presence in Florida. Joining Andersen are 19 tax professionals and four Managing Directors from [Reilly, Fisher & Solomon, P.A.](#) (“RFS”), a leading Tampa tax compliance and planning firm.

The new Andersen Tampa office, located at 4950 West Kennedy Blvd, Suite 610, is Andersen’s second location in central Florida, and the latest in Andersen’s North American expansion as part of the firm’s ambitious growth strategy. Earlier this year, [Andersen opened an office in San Diego](#), following a [February 2023 U.S. expansion](#) in Orange County (Calif.), Pittsburgh, and Des Moines; and the September 2023 [launch of Andersen’s Global Valuation practice](#) across more than 20 countries worldwide throughout Europe, Latin America, Asia, and North America.

“Our client base in Florida, including high-net-worth individuals and large businesses, continues to grow making Tampa an ideal extension of our global platform,” said Andersen Global Chairman and CEO Mark Vorsatz. “From the Gulf Coast to the Atlantic Ocean, Floridians will have access to our independent tax guidance and a variety of multidisciplinary professional services, along with the high quality and service that our clients have come to expect from Andersen.”

“Tampa Bay is the heart of Florida’s Gulf Coast and this new addition will complement the successful practice we’ve established in West Palm Beach,” said [Randy Macpherson](#), managing director of Andersen’s Florida practice and head of Andersen’s West Palm Beach office. “The decision to expand our presence here was an easy one – especially when we factored in working with the talented RFS team, along with the additional benefits our clients will receive.”
