Airgain to Present at the 5th Annual Liolios Gateway Conference on September 7, 2016

SAN DIEGO, Sept. 07, 2016 (GLOBE NEWSWIRE) -- Airgain, Inc. (Nasdaq:AIRG), a leading provider of embedded antenna technologies used to enable high performance wireless networking, has been invited to present at the [2016 Gateway Conference](#) being held on September 7-8, 2016 at the Four Seasons Hotel San Francisco.

Airgain management is scheduled to present on Wednesday, September 7 at 2:30 p.m. Pacific time, with one-on-one meetings held throughout the day.

The presentation will be webcast live and available for replay in the Investor Relations section of Airgain's [website](#) and on the Gateway Conference [website](#).

To receive additional information, request an invitation or to schedule a one-on-one meeting, please e-mail gateway@liolios.com.

About the Gateway Conference

The 5th Annual Gateway Conference is an invite-only conference presented by Liolios, which brings together the most compelling companies with the nation's top institutional investors and analysts. This year's event features more than 80 companies from a number of growth industries, including technology, business and financial services, consumer, digital media, clean technology, and life sciences. The format has been designed to give attendees direct access to senior management via company presentations, Q&A sessions, and one-on-one meetings. For more information, visit www.gateway-conference.com or www.liolios.com.

About Airgain, Inc.

Airgain is a leading provider of embedded antenna technologies used to enable high performance wireless networking across a broad range of home, enterprise, and industrial devices. Our innovative antenna systems open up exciting new possibilities in wireless services requiring high speed throughput, broad coverage footprint, and carrier grade quality. Our antennas are found in devices deployed in carrier, enterprise, and residential wireless networks and systems, including set top boxes, access points, routers, gateways, media adapters, digital televisions and Internet of things (IOT) devices. Airgain partners with and supplies the largest blue chip brands in the world, including original equipment and design manufacturers, chipset makers and global operators. Airgain is headquartered in San Diego, California, and maintains design and test centers in San Diego, Cambridge, UK, Taipei, Taiwan, and Suzhou, China.

Airgain and the Airgain logo are registered trademarks of Airgain, Inc.
