Airgain to Present at the William Blair 37th Annual Growth Stock Conference on Wednesday, June 14th

SAN DIEGO, CA -- (Marketwired) -- 06/06/17 --

Airgain, Inc. (NASDAQ: AIRG), a leading provider of embedded antenna technologies used to enable high performance wireless networking, has been invited to present at the 37th Annual William Blair Growth Stock Conference. The conference is being held on June 13-15, 2017 at the Four Seasons Hotel in Chicago.

Airgain President and CEO Charles Myers is scheduled to present on Wednesday, June 14th at 2:00 p.m. Central time and will hold one-on-one meetings with institutional investors throughout the day.

For additional information or to schedule a one-on-one meeting with Airgain management, please contact your William Blair representative.

About Airgain, Inc.

Airgain is a leading provider of embedded antenna technologies used to enable high performance wireless networking across a broad range of home, enterprise, and industrial devices. Our innovative antenna systems open up exciting new possibilities in wireless services requiring high speed throughput, broad coverage footprint, and carrier grade quality. Our antennas are found in devices deployed in carrier, enterprise, and residential wireless networks and systems, including set-top boxes, access points, routers, gateways, media adapters, digital televisions, and IoT devices. Airgain partners with and supplies the largest blue chip brands in the world, including original equipment and design manufacturers, chipset makers, and global operators. Airgain is headquartered in San Diego, California, and maintains design and test centers in San Diego, Cambridge, United Kingdom, and Suzhou and Shenzhen, China.
