Govolution by Deluxe and Fulton Bank Announce Strategic Partnership

Govolution named preferred processor for bank's government and municipal customers

SHOREVIEW, Minn.--(BUSINESS WIRE)-- Deluxe, a Trusted Payments and Business Technology™ company, today announced that Govolution, its ePayment solutions entity aimed at government organizations, has formed a new partnership with Fulton Bank to provide payment technology solutions for the financial institution's government and municipal customers.

This partnership with the Pennsylvania-based bank will focus on:

- Expanding consumer payment options with mobile, contactless and IVR solutions
- Optimizing business operations through payment integrations
- Providing comprehensive, consolidated business reporting to simplify account reconciliation and improve cash flow

Govolution by Deluxe has a long history of developing payment solutions designed specifically for government organizations, including the first electronic payment engine for the United States Department of Treasury. Today, the company processes more than 1.4 million transactions per day for government entities across the country. Govolution's high standards surrounding innovative technology and data security are matched only by its commitment to superior customer service to maximize revenue of its clients.

"We chose Govolution because of their expertise in and commitment to the government vertical. Govolution, like Fulton Bank, is customer centric, and both their innovative payment gateway and extensive range of self-service payment channels are designed with the client in mind," said Paul Czurylo, Commercial Product Team Leader at Fulton Bank. "There are dozens of payment processors, but when it comes to innovation, service and support, Govolution rises above the rest."

"Govolution has invested heavily in technology, applying the highest standards to data security and creating payment solutions to help government organizations flourish in today's digital marketplace," said Mike LoMurro, President of Govolution by Deluxe. "This partnership underscores our reputation as a leader in payment technology and we are delighted that Fulton has chosen us as their preferred provider."
